EUDR ALIGNMENT OF THE SLOVAKIAN FOREST CERTIFICATION STANDARD

Dear Hubert,

Following the application sent on 01st April 2025 for the alignment of the endorsed SFM standards for PEFC Slovakia (including TD SFCS 1001 and TD SFCS 1003), upon a time critical revision process, I am pleased to inform you that all non-conformities identified in the assessment report are successfully addressed.

This is my great pleasure to declare the Slovakian Forest Certification Standards are now aligned to the PEFC ST 1003:2024 requirements. The upcoming endorsement milestones are already published on Podio and attached to this letter for easier reference.

If you have any queries concerning the above, please do not hesitate to contact the Technical Unit of the PEFC Secretariat.

Yours sincerely,

Michael Berger
